Advanced Flower Capital (AFCG)

Company Update: Overweight

Key Highlights:

- Updated estimates based on new loan activity. Blended quality further improving.
- Macro (rate swings) and sector (IIPR) issues continue to weigh on AFCG (and MJ fincos).
- 38% discount to BVPS; 16.5% div yield.
- We expect >\$100Mn in new commitments in 2025 (\$29Mn YTD).
- We keep our Overweight stance.

Company Update

We attach update estimates following new loan activity. We rate AFCG Overweight.

- AFCG today announced it has committed a \$14Mn senior secured credit facility to private MSO Standard Wellness Holdings, with \$10.5Mn funded at close (terms were not provided at this time). The new borrower intends to use the proceeds from the loan to acquire a dispensary in Missouri, relocate a dispensary in Utah, and refinance and consolidate various debt facilities. Per its corporate website, Standard Wellness at present has vertical operations in OH (inc 3 stores: Cincinnati, Sandusky, Springfield), MD (1 store in Baltimore, MO (1 store in KC), and cultivation/processing in UT (it will relocate one store).
- So, AFCG has committed \$29Mn in total new loans year to date (\$15Mn to Story OH, disclosed on 2/18 and funded on 3/1; \$14Mn to Standard Wellness). Per management, AFCG has term sheets for other loans, and points to a ~\$380Mn active pipeline. It has said that future loans will typically be in \$10-40Mn range. There is no precise guidance, but we model ~\$400Mn by YE25 (vs. \$370Mn in our last published report of 3/14/25) in loans held for investment at net carrying value vs. \$293Mn at YE24. Note: We assume the \$30.5Mn balance in loans held for investment at fair value are sold by YE25.
- As of 3/1, AFCG had \$89Mn available from its credit lines. It may also recover proceeds from underperforming loans (private company A divested its GA assets for \$15Mn; proceeds have not been released yet by the receiver). For projection purposes, we assume a target debt to equity ratio of 140% (equity funding above that; we factor a \$25Mn equity raise by 1Q27 assuming the stock is back to at least par).
- Importantly, the blended quality of the book continues to improve, with loans to operators like Story, Sunburn, Gron, Standard Wellness, and others. Note: Of the \$357Mn in total principal outstanding at YE24, \$146Mn was in non-accrual status (\$79Mn from loan G; \$55Mn loan(s) A; \$12Mn loan K), with part booked for sale (loans held for investment at fair value were booked at \$30.5Mn).
- All this will be reflected in more "recurring interest income". Bottom up, based on AFCG disclosure (the company discloses cash interest and PIK rates by loan), we calculate >75% of total reported "interest income" in 4Q24 came from loans in accruals (factoring cash interest and PIK), with the balance coming from payments in loans classified as in "non-accruals" and from fees. But now with the Standard Wellness loans, by 2Q25 we estimate this ratio could be >85%. Again, based on our math we calculate what we call "recurring interest income" (cash and PIK(should be up in mid/high teens when comparing 2Q25 with 4Q24.
- Note: Unrealized losses on the B/S at YE24 were reported at \$19.7Mn (or 88c/share); if recovered, and counting \$30Mn in CECL reserves, they could both together represent \$2.24 to BVPS (we note the stock closed at \$6.76 on 3/13/25, about \$2.26 off BVPS).

• See our <u>report from 3/15</u> with a review of 4Q24 results and outlook.

Valuation. AFCG shares are down 35% in the last 30 days (MSOS ETF -16%; IIPR -22%; REFI -8%). At \$5.57 the stock trades at a hefty 38% discount to BVPS (and -50% if we factor the \$2.24 per share in CECL reserves and unrealized losses). Interest rate swings and MJ industry challenges (see the latest disclosure at IIPR re three tenants), have resulted in discount to par in the mid to high teens for REFI and IIPR (and as high as 26% for NLCP), but we believe the AFCG 38% discount is overdone. Also, we realize the AFCG dividend represents 100% of the distributable earnings guidance for 1Q25 and 2Q25 and carries more risk than that of peers, however, continued good quality loan growth (see Story, Standard Wellness) makes the 23c DPS sustainable, per our math. The AFCG dividend yield of 16.5% is well ahead direct peers in the 12-13% range. We keep the Overweight stance, in part due to loan book's growth potential and improving quality. Further transformation of the book towards top quality operators (and as underperforming loans are sold and or resolved) should be a key catalyst for the stock.

Appendix III: Bio and Disclaimers

Analyst Bio

Pablo Zuanic is a well-known and highly rated equity analyst following the cannabis and psychedelics sector. Over the past five years he launched coverage of over 40 companies in the US, Canada, and overseas (MSOs, LPs, CBD, ancillary, psychedelics), kept close track of sectoral trends, and followed the reform process in the US and elsewhere. His firm Zuanic & Associates publishes equity research on the cannabis and psychedelics sectors, both from a macro/sectoral level in a thematic manner, as well as specific reports on listed stocks. The research service is aimed at institutional investors and corporations. The firm is also available for short-term consulting and research advisory projects. At various points in his career, Pablo was II ranked and called as expert witness in industry investigations. He has a deep global background having covered stocks over the past 20 years in the US, Europe, Latin America, and Asia, across consumer sub sectors. Prior employers include JP Morgan, Barings, and Cantor Fitzgerald. An MBA graduate of Harvard Business School, he started his career as a management consultant, which brings a strategic mindset to his approach to equity research. *Pablo Zuanic can be contacted via the company's portal <u>www.zuanicassociates.com</u>; via email <u>pablo.zuanic@zuanic@zuanic@zuanic@zuanic@aranic@zuanic@aranic@zuanic@aranic@zuanic@aranic@zuanic@aranic@zua*</u>

Disclosures and Disclaimers

About the firm: Zuanic & Associates is a domestic limited liability company (LLC) registered in the state of New Jersey. The company's registered address is Five Greentree Centre, 525 Route 73, N Suite 104, Marlton, New Jersey 08053, USA. Pablo Zuanic is the registered agent. The firm publishes equity research on selected stocks in the cannabis and psychedelics sector, as well as thematic macro industry notes. The firm also provides consulting and advisory services. Potential conflicts of interest are duly reflected in the respective specific company reports.

Analyst Certification: The publishing analyst, whose name appears on the front page of this report, certifies that the views expressed in this independent research report accurately reflects his personal views about the subject securities or issuers discussed in this report. His opinions and estimates are based on his best judgement at the time of publication and are subject to change without notice. As per the company's policy, the author of this report does not own shares in any company he covers.

Other: This report is for use by professional and or institutional investors only, and it is deemed impersonal investment advice, published on a bona fide and regular basis. This report is for informational purposes only and is based on publicly available data believed to be reliable, but no representation is made whether such data are accurate or complete. As such, this report should not be regarded by its recipients as a substitute for obtaining independent investment advice and/or exercise of their own judgement. When making an investment decision this information should be viewed as just one factor in the investment decision process. Neither the publishing analyst, nor any of the company's officers and directors, accept any liability for any loss or damage arising out of the use of all or any part of the analyst's research.

Risks: The financial instruments mentioned in this report may not be suitable for all investors and investors must make their own investment decisions based on their specific investment objectives. Past performance should not be taken as an indication or guarantee of future performance. The price, value of and income from, any of the financial instruments featured in this report can rise as well as fall and be affected by changes in political, financial, and economic factors. If a financial instrument is denominated in a currency other than the investor's currency, a change in exchange rates may adversely affect the price or value of, or income derived from, the financial instrument, and such investors effectively assume currency risk.

Disclosure: Zuanic & Associates offers advisory and research services, and it also organizes investor events and conferences. The firm is often engaged by various operators in the cannabis industry (both plant touching companies and those providing services, private and public, in North America and overseas) on an ongoing or ad hoc basis. The company discussed in this report is a paying customer of the services provided by the firm.

Copyright: No part of this publication may be reproduced, distributed, or transmitted in any form or by any means, including photocopying, recording, or other electronic or mechanical methods, without the prior written permission of the author.
